## **COPPER L**<sup>6</sup>**CKER**

Patent No: US 9,890,566 B1

Median Barrier Wall Theft Deterrent Cover

The DE 3500 is a theft deterrent cover that replaces the flat cover on the DE 3500 box. The DE 3500 cover comes with a round shackleless lock which recesses into the DE 3500 box. The key may be ordered specific for a municipality. The DE 3500 cover is hot dipped galvanized after fabrication.
